Agenda

Item	Agenda Item	Assignee	Notes
1	Review selection criteria & the project pool	All (Hennessy coordinating)	Filter applied: AI-related + easy to start. All 7 are 'apply-AI-via-API' (no model training). Excluded production-grade / unfamiliar-stack projects (e.g. P125, P128, P129) and misleading-AI tags (P99, P100).
2	Shortlist & rank the 7 project preferences	All	Agreed 7 preferences in priority order (1 = highest): P126, P105, P104, P106, P115, P133, P111. To be consolidated via Guide Appendix A (capability inventory), B (difficulty/dependency), C (joint scoring) before submission.

3	Agree on the 3 categories	All	Categories covering the 7 picks: (1) Generative AI (GenAI) — applied layer; (2) Web Application Development — AI-enabled; (3) AI (Machine/Deep Learning, NLP) — conversational / extraction. NOTE: category names must be checked against the live questionnaire options before submitting (Guide p47).
4	Submission plan & next steps	Hennessy (Time Keeper)	Preference questionnaire opens 18 Sep 20:00, closes 20 Sep 22:00 (Sydney time); one submission per team. Team formation closes 18 Sep 20:00. Roles (PO / Scrum Master / GitLab Maintainer) to be assigned at the Week 2 lab.

Open Actions

Item	Action/Discussed	Deadline
1	Submit the team's 7 preferences + 3 categories via the COMP9900 2026 T3 preference questionnaire (one submission per team).	20 Sep 2026, 22:00 (Sydney time)
2	Verify the 3 category names against the live questionnaire dropdown options (Guide p47: manual tags ≠ questionnaire categories) before final submission.	Before 20 Sep 22:00
3	Each member completes Guide Appendix A (6-person capability inventory); PO/coordinator consolidates the shortlist. NOTE: the shortlist was refined on 18 Sep (final 7: P111, P115, P109, P10, P13, P108, P105) — confirm the final list before submitting.	17 Sep 2026

Questions for Mentor

- Are the three category names required to exactly match the questionnaire dropdown options? (Guide p47 cautions that manual tags ≠ questionnaire categories.)
- When is the client allocated, and when should we first contact the client?

Questions for Client

- N/A at Week 1 — client not yet allocated (P13 allocated 22 Sep per the course timeline). This section to be populated after the client kickoff meeting (target: before 28 Sep).
